

Dynamic... Results Driven...Go-Getter...People Leadership

If these are words to describe you, look no further!

You could be part of our growing Organization

Our organization is looking for a dynamic leader to lead an internal team to achieve the next level and beyond through continuous improvement and measurable metrics. This position is focused on customer management, team management, quotations/status, and order management.

Micro-Coax, Inc. is a world leader in the design and manufacture of cables and cable assemblies for the Aerospace, Military, Test & Measurement, and Telecom industries. We are a highly technical and dynamic organization, but most importantly, **a GREAT place to work!**

Micro-Coax believes that the success of our business is built on the foundation of a great workforce. Come be a part of the excitement and growth at Micro-Coax... come grow your career with us!
